

# CURIOUS ABOUT THE **MEANING** OF YOUR LIFE?

Seek answers at Discovering Christ.

## A FREE ONLINE COURSE IN THE FAITH

*Such a course is usually held in a Parish where we meet to have a meal, watch a video and then meet in a small group to discuss but it is now offered online. We shall not be defeated by the present crisis but take this as an opportunity to use our time well and grow in the knowledge of our faith..... and become friends online until we meet again to celebrate the faith!*

*Due to the present circumstances when we cannot meet as a group, we are offering this alternative:*

- **Join a Group Online** (with a social media app Zoom or FB Messenger)
- **Watch a Video at your home** (10 videos over 5 or 6 weeks)
- **Then join the Group online for discussion with a facilitator**
- **All ages welcome from 16+**
